Fig. 3

This is a scanning electron micrograph (SEM) showing a highly textured, granular surface. The texture consists of numerous small, rounded features and deeper crevices, giving it a rough appearance. In the top left corner, the label 'A701-13' is printed in a white, sans-serif font. In the bottom left corner, technical data is displayed: '000002' followed by '6KV X50.0K 600nm', indicating the image was captured at 6 kilovolts, 50,000x magnification, with a 600 nm scale bar.
